VOLUME 11 — MARYVILLE, MISSOURI, WEDNESDAY, MAY 11, 1921 — No. 292

FARMERS INVITED TO WOOL MEETING

MARKETING EXPERTS WILL BE IN ST. JOSEPH

MANY WILL JOIN POOL

Thirty Nodaway County Growers Already Have Lited Their 1921 Clip.

Wool growers of Nodaway County are urged by County Agent Roy A. Kinnaird to attend a meeting at St. Joseph next Tuesday to determine the sentiments of agricultural leaders and wool growers concerning regional pooling, grading and marketing of the 1921 wool clip. A large attendance is expected, not only of county agricultural agents, officers of farm clubs, granges and union, and members of wool committees, but also of the large number of wool producers who are now intensely interested in the solution of the wool marketing problem.

The St. Joseph meeting is one of a series to be held under the direction of the state marketing bureau of the Missouri board of Agriculture, the United States Bureau of Markets, and the extension service of the Missouri College of Agriculture. Other meetings will be held at Chillicothe, Kirksville, Hannibal, St. Charles, Moberly, Sedalia, Butler, Springfield and Cape Girardeau.

R. L. Waddell, extension assistant professor of animal husbandry, will give special emphasis to the importance of Missouri sheep men federating themselves into a "State Sheep and Wool Growers' Association." Centralized marketing is dependent upon some such federation.

George T. Willingmyre, specialist in marketing wool, representing the United States Bureau of Markets, will cooperate with Daniel C. Rogers of the State marketing bureau at Jefferson City in bringing to the attention of the growers the tentatively recommended program for pooling, grading and marketing the 1921 wool clip and also the marketing of the unsold 1920 clip.

Many farmers in this county are planning to put their wool in the Northwest Missouri ppol. Thirty wool producers have already indicated that they will pool their 1921 clip, according to County Agent Kinnaird. Their clip will total over ten thousand pounds. The campaign for members in the pool is just beginning, and it is expected to be much larger than last year, when there were 129 members who contributed forty thousand pounds of wool.

Mr. Kinnaird will hold a meeting of wool men at Conception Junction tonight and at Pickering Friday night He will attend the meeting at St. Joseph next Tuesday.

Ten outstanding advantages of regional pooling are listed by the state and national marketing experts in announcing the regional meeting. They are as follows:

Will demonstrate most effectively marketing advantages in using Standard Wool Grades recommended by the U. S. Bureau of Markets.

Large quantity pooling will make possible the selling of the various grades in carlots, and thus appeal to the manufacturer.

More buyers will be attracted to large pools than to small ones.

Will facilitate and make more economical the work of expert graders.

Presents an ideal method for warehousing wool under the regulations of the U. S. Warehouse Act, which is the means of financing the commodity and providing for its scientific marketing.

It is the first logical step leading to a state-wide marketing agency, which is generally recognized as being desirable.

Will prepare way to a "State Sheep and Wool Growers' Association."

Will facilitate the organization of an association suitable for incorporation under the new "commodity association," law of Missouri.

Will provide for better service and management in pooling, grading and marketing for less money than can be secured through scattered efforts in many small pools, also simplify securing warehouses.

Will simplify transportation problems and secure carlot freight rates.

T.E. SHARP, FORMER PASTOR HERE, DIES

PREACHED AT M. E. CHURCH SO. IN 1891-92.

BUILT THE PARSONAGE

Had Risen High in the Work of His Church—Survived by Widow.

The Rev. T. E. Sharp, pastor of the M. E. church, South, of Maryville in 1891 and 1892, died in Nashville, Tenn., last Friday from a heart attack. It was during his pastorate here that the church parsonage was built. He was also one of the first ministers to preach in the new church building which was completed in 1891.

Dr. Sharp was presiding elder of the Memphis, Tenn., district and was in Nashville attending a meeting of the general board of missions at the time of his death. He was 64 years old and is survived by his widow.

He joined the ministry in Canton, Mo. His first work was serving as supply; then he went to Warrenton, Mo. He was also at Columbia, Fayette and other towns in this conference.

The body left Memphis last Saturday for Macon, Mo., his old home, where burial took place Monday.

Special memorial services were held in Nashville at noon Friday in memory of Doctor Sharp, who had attended and participated in the Thursday meeting of the board. He apparently was in fair health Thursday, although he had a slight attack of heart failure last Sunday, from which he apparently had recovered.

The Memphis News-Scimitar had the flolowing on Doctor Sharp's death:

"Devotion to the cause of Methodism probably was the direct cause of Doctor Sharp's death. He had been warned many times in the past three years that he was working harder than his physical condition warranted. So great was his love of his work, however, that he continued his labors without letup."

At the time of his death, Doctor Sharp was rounding out his fourth year as the presiding elder of the Memphis conference. Before going to Memphis he served as presiding elder of the St. Louis district for four years. He was secretary-treasurer of the new Methodist hospital at Memphis, a member of the general board of missions of the Methodist conference, South, a member of the general board of finance, the general board of extension and he had been elected four times to the general conference—the governing body of the church.

Doctor and Mrs. Sharp were married in Macon when he was but 18 year old. He was then assistant cashier of the Macon Savings Bank. He did not enter the ministry until several years later. Although he had the degree of Doctor of Divinity, he was never graduated from any college, but studied while still in business.

SKIDMORE VOTES CONSOLIDATION

TEN SCHOOL DISTRICTS WILL BE COMBINED INTO ONE.

CONTEST MAY BE FILED

Some Talk of Protesting Action At Meeting Yesterday Which Voted 336 Yes, 196 No.

Skidmore Consolidated School District was createdyesterday when the patrons of ten districts voted 336 to 196 for consolidation. A total of 532 votes were cast.

The meeting was held in Royal Hall. Prof. Bert Cooper, acting as temporary chairman opened the meeting by giving opportunity for questions. Several were asked and answered, and O. D. Hardman was then elected permanent chairman and C. H. Sauceman secretary. Wayman McGinnis, B. O. Ford, Elmer Owens, and Billy Taylor were made tellers and W. G. Reynolds and Alfred Walton clerks.

Immediately after the favorable vote was announced a "gentlemen's agreement" was effected that two of the board of directors to be elected be chosen from Skidmore, two from east of the town and two from the west, and in case of vacancy occurring the territory affected shall nominate and elect some one from that territory to fill the vacancy.

The board elected cast lots to decide the length of term of each member, with the following results:

For a term of three years, H. P. Botkin and J. L. Teson.

Two years, Earl Stevenson and Dr. J. E. Pierpoint.

One year, M. A. Sewell and F. I. Goslee.

There is some talk among opponents of the consolidation today that the election may be contested, but no formal action has been commenced. If there should be a contest filed, the case would be tried before the Circuit Court, the new directors probably being restrained by injunction from handling the affairs of the district until the controversy is settled.

The new district is composed of Skidmore and nine county districts with 334 children of school age. The total number of acres included is 28,200, and the valuation per acre is $119.31. The total valuation is $3,067,072. Last year a total of $12,574.04 was raised by taxation in the various districts. There was $2,945.54 of state money apportioned and $800 additional state aid.

District 106, Eureka, has 3840 acres and 22 children of school age. It raised by taxation last year $1,275.19 and received $171.70 in state money. Its valuation this year is $349,430.

District 107, Mt. Vernon, has 2,200 acres and 16 children of school age. The valuation this year is $222,874, the amount raised last year $621.74 and state money $114.93.

District 108, Albright, has 2,920 acres and 27 children. This year's valuation is $371,247, the amount raised last year $990.86 and state money $154.98.

District 134, Union Star covers 2880 acres and has 18 children. State money received amounted to $139.22, the amount raised last year $1,331.59, and valuation this year $288,974.

District 135, Union Valley, has 2480 acres and 29 children, with $223.11 state money, $777.46 raised last year and $281,062 valuation for 1921.

District 136, Skidmore, has the greatest number of children with 157, the largest amount of state money with $1,557.15, the greatest amount raised last year with $4,274.66 and the greatest valuation for 1921 with $438,890. it covers 1120 acres.

District 137 is Scrub Oak. It has 2,640 acres but only 10 children. It received $76.47 state money, raised $660.60 by taxation and has a valuation this year of $249,332.

District 138, Burr Oak Grove, has 2,880 acres and 19 children. State money received was $192.56, amount raised last year $785.69 and valuation $303,955.

District 139, Good Will, also has 2,880 acres. There are 16 children. State money amounted to $129.41, amount raised last year $763.19 and 1921 valuation $283,678.

District 140, Liberty, has 3,360 acres and 20 children. It received $186.01 state money, raised $1,093.06 by taxation, and is valued at $277,630.

There are about 3,000 tons of paris green used in this country annually.

NEXT TRACK MEET MAY BE ON THURSDAY AND FRIDAY

Change in Day Would Permit Postponement to Following Day If Necessary.

That the track meet next year will be held on Thursday and Friday, instead of on Friday and Saturday, is the belief of many of those who were connected with the meet this year.

The changing of dates would allow more of the merchants to close their stores and attend the track events in the afternoon. The greatest advantage urged by proponents of the change, however, is that it would give a "day of grace" in the event of bad weather. If necessary, the meet could be postponed until the following day under the proposed dates.

Only favorable comment is heard from all sides on the way in which the meet was conducted this year and on the part which was played by the Chamber of Commerce. The free rides given contestants made a popular feature with the visitors. There were 600 tickets distributed among the various teams, and taxi drivers turned in 564. All the taxi firms secured about an equal share of the business.

MISS BLANCHE DOW DELIGHTS AUDIENCE

READS "THE WOMAN" BEFORE TWENTIETH CENTURY CLUB.

MAY REPEAT IT LATER

Open Session of Shakespeare Department—Attended by 125 Women—Installation Officers Next.

Miss Blanche Dow of the State Teachers College delighted one hundred and twenty-five women with her reading of William DeWille's "The Woman" at the open session of the Shakespeare department of the Twentieth Century club held yesterday afternoon at the Elk's club. At the close of the reading Miss Dow was showered with congratulations by her hearers and was presented with a lovely bouquet by the Shakespeare department.

Plans have been discussed to have Miss Dow repeat the performance at some future time. 'The Woman" is a political play with its scene in New York City. It is a four act play and much talent and study was exhibited in Miss Dow's interpretation of it. She has read the play in public before, but yesterday was the first time in Maryville. Miss Dow is instructor of French at the State Teachers College.

The open session of the Shakespeare department was the last departmental meeting for this club year. The session was scheduled for 3 o'clock and each member of the Twentieth Century club was permitted to bring guests. In the receiving line were Mrs. Arthur A. Brewer, Mrs. W. O. Garrett, Mrs. Harry Todd and Mrs. Anderson Craig. The guests were taken into the dining room of the Elk's club for tea where Mrs. J. F. Hull presided, assisted by Mrs. Gallatin Craig, Mrs. Fleming Carpenter and Mrs. C. C. Leeson. Mrs. G. B. Holmes and Mrs. D. J. Thomas assisted in the reception of the guests and Mrs. Emmett Scott and Mrs. W. F. Burris assisted in ushering.

A large basket of lilies of the valley centered the table in the dining room, and was the only decoration used. After tea, the guests were taken to the ball room where the reading was given. The next meeting for the Twentieth Century club will be the installation of officers which is scheduled to take place on May 26, when a luncheon will be given.

Poles Agree to Truce.

London, May 11.—It is reported in Warsaw that Adelbert Zorfanty, Polish commissioner in Upper Silesia, and the inter-allied commission have agreed upon a truce in Upper Silesia pending settlement of trouble in that province, said a Central News dispatch from Warsaw today.

Undergoes Operation.

Miss Mary Thompson, daughter of Mr. and Mrs. N. B. Thompson of this city, underwent an operation for appendicitis at the St. Francis hospital this morning. Her condition this afternoon was as well as could be expected.

Miss Persis Hunt of Kansas City came to Maryville to attend the track meet and is visiting relatives for several days.

TO APPEAR BEFORE HIGHWAY BOARD

T. A. CUMMINS AND W. G. SAWYERS TO JEFFERSON CITY.

RAVENWOOD WANTS ROAD

As the Plan is Now Arkoe is on the Route—Many Advocates of Improving State System.

T. A. Cummins and W. G. Sawyers left this afternoon for Jefferson City where they will appear before the state highway commission on the state highway system in this county. Mr. Cummins is representing some Ravenwood people while Mr. Sawyers is representing several Arkoe people.

The highway as now laid out in this county is from Gentry County line to Conception, then Arkoe and on to Maryville. The Ravenwood and Conception Junction people are wanting the highway to go from Conception North to Conception Junction then to Ravenwood and on west to Maryville.

Many Back Present System.

When the legislature meets to frame new road laws there will be many who will urge the taking over of the present state system in its entirety because of the large sums of money expended in surveying and the improvements now made or under way. The state system was provided under the Hawes road law in 1917, but changed under the Morgan-McCullough law enacted by the legislature in 1919. There are now about sixty-two hundred miles in the system and five hundred miles of connecting roads.

Of the present state system 5,500 miles have been surveyed, some by the counties and some by the state. The law provided that the surveys should not cost more than $100 a mile. The total cost of surveying the state system to the present time is estimated at about ½ million dollars.

According to the state highway commission these improvements have been made under state supervision on the present highway system:

Graded and bridges built, 476 miles.
Gravel and macadam, 371 miles.
Cement concrete, 25 miles.
Asphaltic concrete, 8 miles.
Bituminous macadam, 23 miles.
Work now under contract, 525 miles, representing a cost of 9½ million dollars.

One of the big problems facing the special session is the maintenance of the state system. New sources of revenue must be developed for that purpose, as under the constitutional amendment adopted last November all the motor car license fund of about 2½ million annually must be used to pay the expenses of the state highway department and to pay the 60 million in bonds. In August the state will vote on the proposal to require the motor car license fund also to pay the interest on the bonds.

Some suggestions made to provide maintenance for the state roads:

A small tax on gasoline.

Additional tax on motor vehicles. The license tax in Missouri is now among the smallest of any state.

A tax on horse drawn vehicles as well as motor cars.

A direct state tax on property.

Requiring each county to maintain its part of the state system.

BUTLER WAS GIVEN A SENTENCE OF 2 YEARS

Maryville Boy Pleaded Guilty To Charge of Embezzlement in St. Joseph Court.

George W. Butler pleaded guilty to the charge of embezzlement before Judge Utz in the circuit court at St. Joseph yesterday and was given a sentence of two years in the penitentiary. Butler was represented by Attorney Ellis G. Cook of this city. He was charged with embezzling $200 from a New York publishing firm.

CHARLIE CHAPLIN BURNS LEG WHEN CLOTHING CATCHES FIRE

Los Angeles, Cal., May 11.—Charlie Chaplin, movie comedian, is reported resting easy in his home today. Chaplin was burned about the legs yesterday afternoon in his Hollywood studio when his clothing was ignited by an acetylene blow torch. Physicians said he could probably resume his work within a week. Camera men and electricians saved the comedian by throwing wet blankets around him.

COUNCIL RAISES SALARY OF PUBLIC LIBRARIAN

Denies Application To Erect Signs Over Sidewalks—Remus Made Vice-President.

The salary of Miss Grace Langan, librarian at the Maryville Free Public Library, was raised from $75 to $90 a month by the City Council at its meeting last night. No assistant librarian was chosen, although a numberof applications have been received.

The Council denied the applications of the Maryville Auto Wrecking Company and the Brumbaugh Battery Station to erect signs over the sidewalk. The proposed signs did not conform with the provisions of the city ordinance governing such applications.

Councilman C. F. Remus was elected vice-president of the council. A number of matters were discussed, but no action was taken.

SERVICES PLANNED MEMORIAL DAY

THE REV. J. A. COOPER WILL PREACH SERMON

WILL DECORATE GRAVES

Want Citizens to Bring Flowers To First M. E. Church To Be Put On Graves.

The Rev. J. A. Cooper will preach the memorial sermon at the First Baptist church at 3 o'clock Sunday afternoon, May 29. The service will be attended by the Sedgwick Post, G. A. R.; W. R. C., Seth Ray David Post, Veterans of Foreign Wars and the Women's Auxiliary to the Seth Ray David Post. The James Edward Gray Post, American Legion, has made no announcement as yet concerning its plans in observing Decoration Day. The organizations named however will attend in a body and march from the Post rooms to the First Baptist church.

The citizens of Maryville are asked to bring flowers to the basement of the First Methodist church by Monday morning, Decoration Day, where the Women's Relief corp and the Auxiliary will prepare the flowers to be placed on the graves at the cemeteries. The members of the G. A. R. and V. F. W. wil lbe at the cemeteries to assist in the distribution of the flowers on the graves. Captain Charles Hyslop is chairman of the committee on flaging graves at Oak Hill Cemetery and J. G. Grems, chairman of the committee to flag the graves at Miriam, St. Mary's and St. Patrick's cemeteries.

The members of the Posts and all citizens of Maryville are requested to meet in the Courhouse Square at 2 o'clock Monday afternoon where an out-door service will be held. The Maryville band will play and there will be addresses by the Rev. Frank J. Mapel, pastor of the Buchanan Street Methodist Church, and others. Prayer will be given by Rev. S. P. Allison, pastor of the First Presbyterian church, salute by the firing squad, taps by the comrades of Veterans of Foreign Wars, and music by a choir.

CLARA SMITH HAMON WILL TAKE $10,000 FOR HER SHARE.

Los Angeles, May 11.—Clara Smith Hamon, acquitted of the murder of Jake Hamon, today in this city agreed to $10,000 settlement of her claim to a share in the Hamon's eight million dollar estate, according to information from outside sources.

IMMIGRATION RESTRICTION BILL AGREED ON TODAY.

Washington, May 11.—The immigration restriction bill was agreed upon today by the senate and house conferences who have been wrestling with it for several days. The bill is to become effective fifteen days after being signed by the President.

GERMANY ACCEPTS ALLIED DEMANDS

WILL CARRY OUT CONDITIONS WITHOUT DELAY.

WASHINGTON IS PLEASED

Officials Regard Action as Complete Vindication of Policy of Administration.

London, May 11.—"Germany has completely accepted the Allied indemnity conditions and will carry them out without reserve and without delay," Premier Lloyd George announced in the House of Commons today.

Washington, May 11.—Acceptance by Germany of the Allied indemnity figures was hailed with deep satisfaction by official Washington today and was looked upon by high officials as a complete vindication and justification of the policy which the administration has pursued in dealing with both sides of the trouble.

Berlin, May 11.—Formal notification will be made to the Allies at once by the foreign office that Germany unreservedly accepts all of the terms of the allied ultimatum, it was announced today following the vote in the Reichstag which favored acceptance by a vote of 221 for and 175 against.

Chancellor Wirth outlining the policy to the new cabinet said:

"We accept the ultimatum. It is not a question of money. It is a question of our existence in the future and a question of protecting Germany from an enemy invasion."

Under the ultimatum terms, Germany must pay a billion gold marks or about 248 million dollars within twenty-five days.

Announces New Cabinet.

Dr. Wirth announced the formation of a new cabinet with himself as chancellor and foreign minister. Other members are:

Gustave Bauer (former chancellor), vice chancellor and minister of the treasury; Herr Brauns (centrist), minister of economies; Herr Schiffer (democrat), minister of justice; Robert Schmidt (socialist), minister of labor; General Groener (social democrat), minister of transportation; Herr Giesberts (centrist), minister of posts and telegraph; Andres Hermes (centrist), food controller; George Gradneur (majority socialist deputy for Saxony), minister of the interior; Herr Gesler (democrat), minister of defense; Herr Silberschmidt (majority socialist and labor), minister of reconstruction.

There was considerable delay in completing the cabinet, owing to difficulty in finding a man for the foreign portfolio, which eventually Dr. Wirth assumed.

The democratic party was not officially represented in the new cabinet in the first instance, but in response to a request from the clerical and social democratic parties permitted General Groener and Herr Gesler to retain the portfolios they held in the Fehrenbach cabinet. It is understood, however, that Herr Gesler will act as minister of defense only temporarily.

Considered Makeshift

The new cabinet is generally regarded as a makeshift, largely unrepresentative, but good enough to accept the ultimatum.

While the cabinet obtained a comfortable majority in the reichstag, it has the undivided support of only the majority socialist and clerical parties. Members of the other parties, it is declared, hive given it support as a makeshift and are not pledged to give it parliamentary

(Continued on Last Page.)

The Story of Our States

By JONATHAN BRACE

XL.—MONTANA

THE mention of Montana history immediately brings to mind the Custer Massacre as one of the most dramatic incidents in Indian warfare. It occurred in 1876, the Centennial year, when special emphasis was being laid on the cause of peace throughout the world. The Sioux Indians had been driven into Montana by the gold miners, and the United States government took steps to force them back into their reservations. General Custer, with less than 300 men, set out to round up the tribes which were on the warpath, and at the Little Bighorn river, was ambushed by Sitting Bull and 3,000 warriors. Custer and all his troopers were killed. Soon after this massacre the Indians were defeated and many of them fled to Canada.

Gold was discovered in Montana as early as 1852 by the half-breed Francois Finlay near Hell Gate river. This, however, created little stir and it wasn't until five years later when John Silverthorn discovered gold in quantities, that mining settlements sprang up in the mountains. This region had been part of Nebraska territory, which in 1863 was subdivided and became a portion of Idaho territory. The next year it was organized as the separate Territory of Montana.

Virginia City was the capital and here in 1865 was issued the Montana Post, the first newspaper of the state. In 1874 the capital was changed to Helena and ten years later a state constitution was adopted. The state was not taken into the Union, however, until 1889.

Montana comes from the Spanish adjective meaning "mountainous." Its area is 146,996 square miles, making it the third largest state of the Union.

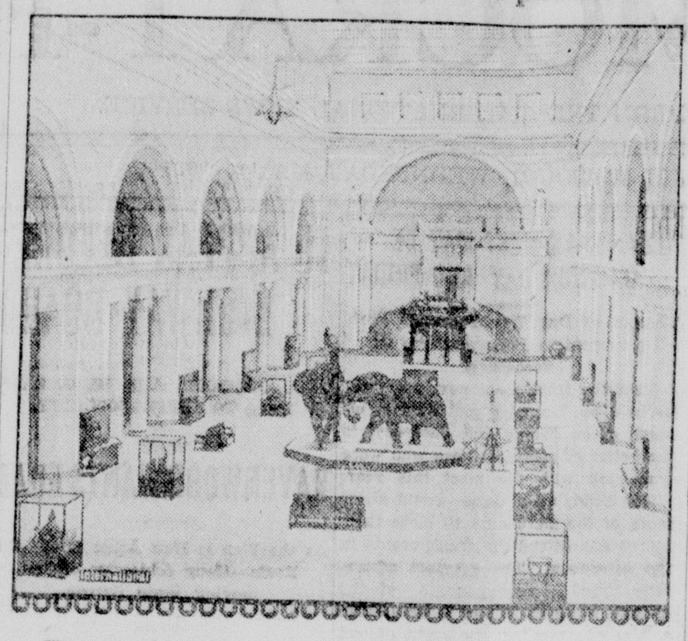
To Sell Campaign Pledges.

For sale or trade, a lot of campaign promises made by Republican spellbinders last year. Very cheap if taken job lots.—Cassville Democrat.

Scientific farmers claim that the seed of wheat loses its life within, at the most, ten years.

The lettuce appears to have been derived from the endive, which is found wild in temperate and Southern Europe.

New Field Museum Is Opened



The new and beautiful home of the Field Museum of Chicago, in Grant park, was opened recently, with all the exhibits and collections properly installed. The illustration shows Stanley Field hall, the main corridor of the museum building.

Holt County Sentinel Has Seen 56 Years of Storm and Calm

The Holt County Sentenel, published at Oregon, entered upon its fifty-seventh year of continuous publication on April 29. This paper has been published the last thirty-eight years by D. P. Dobyns and Thomas Curry, who are known as "the Deacon and Tom." It is one of the best papers in this part of the state.

The following article written by Deacon Dobyns appeared in their issue of April 29.

The Deacon's "Piece"

"With this issue, The Sentinel enters upon its fifty-seventh year of continuous publication, and forty-five years of that time it has been under its present management, and for thirty-eight years the present proprietors have been associated together to give the people of the county an absolutely reliable home paper, clean in its tone and character and totally free from yellowism, and today it is the paper of the county, regarded in the field of rural journalism as near the ideal county newspaper as can be found anywhere in our great state.

"Since the founding of the Sentinel in 1865 by Chas. W. Bowman, wonderful changes have come, and it seems almost as wonderful as those of Ali Baba.

"Many of the earlier day publishers have crossed the river. The latest was of the founder, Chas. W. Bowman, who died in Pueblo, Colorado, Feb. 2., 1921, aged 80.

"A. N. Ruley died at Hiawatha, Kansas, June 24, 1920, age 83.

"Adam Klippei died at Portland, Oregon, December 30, 1902.

"W. W. Davenport died in Jacksonville, Illinois, January 16, 1883.

The Boat and Stage

"When the Sentinel was born June 30, 1865, there was not a railroad in the county; you traveled by steam boat, landing at Forest City, or came from St. Joseph by stage coach—now there are ten passenger trains that stop at Forest City every 24 hours.

"There was not a bank in the county, but Zook & Scott started one a year later. In 1895 the deposits of the ten banks then in existance amounted to $621,148; in February, 1921, we had sixteen banks whose total deposits were $3,179,128.

"The amount apportioned to the schools of the county amounted to $3,060; in 1920 it was $25,094.

"The land values were $1,665,580; for 1921 they are $30,000,000.

"The population in 1865 was 7,500; 1920, it was 14,084.

"We had but three townships in the county in 1865; now we have twelve.

"Our school enumeration in 1865 was 950; in 1920 it was 3,874.

"The total revenue collected in the county in 1865 was $9,780; for 1920 it was $317,123.

"The Sentinel of today as it enters upon its 57th year is enjoying as large if not larger circulation than ever before in its history, and this too in face of extreme costs of producing material.

It Weathered the Gale.

"More than two hundred newspapers in the state of Missouri were discontinued or went into bankruptcy during 1919 and 1920. After a life of over seventy years the St. Louis Republic ended early in 1920, and everyone in the state felt as if he had lost an old and valuable friend.

"The Kansas City Journal has been in the hands of the receiver for the past six months.

"The Sentinel with the other newspapers that have weathered the gale and kept pace with progress and manfully measured up to the opportunities of the past three years regardless of the high prices, which went up so fast that nothing else could keep pace with them, are to be most heartily congratulated on being in operation.

"Every home that The Sentinel goes into today and every friend of the 'Reliable' should rejoice in being a contributor to the Sentinel enterprise and know that its future birthdays are dependent on this continued co-operation as this Friday, April 29, 1921, and other birthdays in the past have been.

"Now this does not only mean financial support for there are other methods of helpfulness that are essential to every newspaper's growth and prosperity."

A. M. E. CHURCH CHOIR TO GIVE CONCERT AT SALEM.

The choir of the A. M. E. Church will give a sacred concert in the Salem Church at 8 o'clock tomorrow night. Most of the songs will be old favorites of bygone days. The program is as follows:

"When I can Read My Title Clear"—Rev. E. D. Abbott.
"I Am Pressing On"—J. L. Gooden.
"In the Valley"—Mattie Malcome.
"In the Haven of Rest"—May Cusley.
"Am I Born to Die"—C. L. Martin.
"The Gospel Train"—Katie Baker.
"Old Black Joe"—Luella Anderson.
"Since Jesus Came Into My Soul"—Mattie Malcome.
"Swanne River"—Lucile Vance.
"God Biess Our Home"—Guy Martin.
"When The Battle is Over"—M. E. Abbott.
"My Old Kentucky Home, Good Night"—Luella Anderson.
"The Dying Girl—Katie Baker.
"The Judgment Bar"—E. D. Abbott.
"It's Me, Oh Lord"—Mattie Malcome.

"When a man assumes a public trust he should consider himself as public property."—Thomas Jefferson.

THE MERRY JOURNEYS OF MARY JANE

Right there before her eyes was a little old man pegging away at a tiny pair of shoes

Mary Jane and the Little Old Shoemaker

ONE day Mary Jane took a walk away into the forest and all of a sudden she heard something pounding and pounding—and it wasn't Peter Pecker, the woodpecker, either. Finally Mary Jane came to the side of a hill, and there was a cave in it.

Mary peeped in carefully,—because you've got to be awfully careful of bears and things in caves,—and there, right before her eyes, was a little old man, pegging away at a tiny pair of shoes. He was Old Willie Wimple, the fairies' shoemaker.

Mary Jane sat down and talked with Willie Wimple a long time about Fairy Goldy-Shoes, and all the other fairies she knew.

And finally they got hungry. So Willie Wimple got up and went to his cupboard in the back of the cave, and what do you think he brought out? A great, big can of Mary Jane Syrup, and a loaf of home-made bread. Mary Jane was hungry. So she ate three slices before she got through.

Then they told stories until it was time to go home. And Willie Wimple took her by the hand, so she wouldn't get lost, and brought her safely to the road that led to her own little home.

Social Gossip and Clubs

Bickett Dinner.

Mr. and Mrs. George Bickett entertained at 12 o'clock dinner yesterday at their home complimentary to Miss Bell Cook of Okarche, Okla., who is visiting relatives in Maryville. Additional guests were Mr. and Mrs. Thomas Cook of Barnard, Mrs. Lou Heflin and daughters, Mayme and Belle, and son, Donald, Mrs. William Armstrong, Mrs. Anna Stauble, Mrs. Priscilla Auffart and children, Otis, Elwin and Marian, Beatrice and Helen Bickett.

Elk's Dance.

Thirty couples enjoyed the dance given last night at the Elk's club. The dance was the regular fortnightly one given under the auspices of the Elk's dancing club. Punch was served during the evening and Schumacher's orchestra furnished the music.

Williams Family Dinner.

Mr. and Mrs. Abe Williams were hosts at a small family dinner Sunday entertaining Mr. and Mrs. W. B. Lasell and son, Frederick and daughter, Mary Frances, and Mr. and Mrs. Burr Williams.

Queen Esther Circle.

Ten members attended the meeting of the Queen Esther Society held at 4 o'clock yesterday afternoon in the League rooms of the First Methodist church. The meeting was a business session and plans for a market to be held Saturday were made.

Baker Dinner Guests.

Mr. and Mrs. George B. Baker were hosts at dinner last night entertaining in honor of D. J. Howell of Cheyenne, Wyo., who has been visiting in Maryville for several days. Additional guests were E. E. Williams, James Todd, Dr. Frank Wallis and Dr. H. L. Stinson.

Craig-Maiers Wedding.

Miss Thelma Craig, daughter of Mr. and Mrs. Frank Craig of Greeley, Colo. and Lee Maier of Burlington Junction were married at 9 o'clock yesterday morning at the parsonage of the First Methodist church in Omaha by the pastor, Rev. Tipus Lowe. Mr. and Mrs. Maier went to the home of Mr. Maier's parents, Mr. and Mrs. Louie Maier, at Burlington Junction last night and will make their home with them for a time. Mr. Maier is in the tire business at Burlington Junction. The bride graduated from the Maryville high school with the spring class of 1920, the family having lived here for many years until they moved to Greeley a number of months ago. The Maier family also formerly lived in Maryville.

Social Meeting.

The Royal Neighbors will have a social meeting tomorrow afternoon at the Modern Woodman hall. The meeting is called for 2:30 o'clock and a pleasant afternoon has been planned for all. Refreshments will be served.

Association Meeting.

The Association of Collegiate Alumnae met last night at the home of Miss Mary MacLeod, Miss Edna Johnnaber and Miss Minnie James with Miss Katherine Helwig and Miss Beatrix Winn as assistant hostess. As this was the last meeting for the club year, the time was spent in discussing next year's work. The next meeting will be held in September. The name of the organization has been changed from the Association of Collegiate Alumnae to the American Association of University Women.

Party At Hart Home.

The members of the Friendship class of the Methodist church of Parnell entertained their families at the home of Mr. and Mrs. A. C. Hart Saturday night. The feature of the entertainment was a circus which was a big success. The clowns furnished fun for the guests and the parade was also a clever part of the evening's entertainment. After the side shows were visited and fortunes were told, partners were chosen for supper which was furnished in dainty May baskets. Those present were Mr. and Mrs. Harry Wilson, Mr. and Mrs. William Wilson, Mr. and Mrs. Chester Logan, Mr. and Mrs. Walter Hart, Mr. and Mrs. Roy Hobson, Mr. and Mrs. James Jobe, Mr. and Mrs. Thomas Payne, Mr. and Mrs. Bert Hart, Misses Icie Jobe, Crystal Wilson, Mildred, Zelpha and Helen Payne, Lula, Lois, Fern, Ruth and Georgana Hobson, Doris Wilson, Alta and Donna Hart and Mrs. Logan, Virgil Payne, Frank Stazes, Austin Wilson, Rex Logan, Carl, Guy, Kenneth and Donald Wilson, Loren and Dean Hart. The next meeting of the club will be held at the home of Mrs. Walter Hart on Wednesday afternoon, May 18.

Return to Kansas City, Kan.

Mr. and Mrs. Clarence Cook left Monday morning for their home at Kansas City, Kan., after visiting in Maryville with their parents, Mr. and Mrs. James Cook and Mr. and Mrs. J. T. Linville.

To Kansas City.

Miss Helen Todd went to Kansas City this morning to visit the remainder of the week with Miss Katherine Schenck. Before her return, she will also visit a short time at Liberty, Mo., with Miss Sadie Yates.

EDUCATION MAKES FARM PROSPERITY

FARMER, COLLEGE AND PRESS MUST COOPERATE

MAY LEARN ON FARM

Dean Mumford of Missouri College of Agriculture Tells of Work of Experiment Station.

"The cooperation of the Press, of Missouri especially, is earnestly requested in accomplishing the important public service of establishing in this commonwealth a permanently prosperous agriculture," says Dean F. B. Mumford of the Missouri College of Agriculture in a personal communication to the newspaper men of Missouri an dthe farm paper men of the United States.

"The development and maintenance of a permanently prosperous agriculture is a nation problem," continues Dean Mumford. "The accomplishment of this task is a national duty and its achievement is not a duty which devolves upon the agricultural class alone. Its ultimate accomplishment is possible only if statesmen, educators, business men, the church, and in particular the press, recognize in agricultural development and stability an opportunity for high public service of fundamental importance to the very foundations of American Democracy.

"The chief factor is of course the farmer himself. We cannot have a great nation without a great agriculture. We cannot have a great agriculture without farmers of broad vision, technical efficiency and patriotic sentiments. The development of such farmers can come only through education. The young farmer may now secure such education in the public schools and the college of agriculture. The mature farmer must be supplied with all the assistance which science can give in solving the difficult problems of production.

"This is the work of the Agricultural Experiment Station. This institution has a large staff of scientific workers engaged at all times in applying the methods of science to the work of the farmer.

"But the important discoveries made by the Experiment Station must be known to the farmers. This can only be done by means of bulletins or by lectures or demonstrations, or by publication in newspapers. The press must be given large credit for its service in printing valuable and timely information for farmers. The nation as well as the farmers owes a debt of gratitude to the newspapers for their unrivaled service. No agency can take its place, no plan of education can equal it in its particular field.

"It is the purpose of the College of Agriculture to furnish the best information available, supply it regularly, and make it exact and timely. It will use the greatest care to insure reliability. The material sent out by the College of Agriculture is and must always be reliable. The instructions given are in nearly all cases based on actual trial in the field or feed lot. They may therefore be safely followed by farmers."

There are 435 members of the House of Representatives and ninety-six Senators in the Sixty-seventh Congress.

C. OF C. FILM LOST ON WAY BACK TO MARYVILLE

Last Shown at Conception College—Request is Received from Albany Chamber

One thousand dollars worth of moving picture film of the activities of the Maryville Chamber of Commerce was lost for two days somewhere between Conception and Maryville. Meanwhile two more requests for the film were received by Secretary George Pickens, and one of them had to be denied.

Two reels of the film was sent to Father Placid at Conception last Friday and was shown twice Saturday to students of Conception College and Sunday to the people of the vicinity. Father Placid then sent the film to the railroad station to be returned to Maryville, but instead it was sent back to the college again. It was once more taken to the station was not delivered to the Chamber of Commerce until this afternoon.

Secretary Pickens had planned to show the film at the Harmon School, near Barnard, tonight, but its failure to arrive made it necessary to cancel the date. Another request was received from the Chamber of Commerce at Albany for the film to be shown there May 27 or 28, when a dinner will be arranged. Secretary Pickens, President R. P. Hosmer and Loren Price, who formerly lived in Albany, were invited to attend the dinner.

Concerning the activities of the Albany Chamber of Commerce, the letter said:

"We are now working on marking all the roads leading out of Albany for a radius of about twelve miles. We marked the trail north from here to Gentry with a green stripe, marking at all crossroads. That is much the better way to Maryville from Albany and these other towns and the road is about five and a half miles shorter than to go by Stanberry.

"We would be willing to mark the road on to the West Fork bridge over the Grand River the other side of Gentry if you would mark your end of the trail with green down to that point.

"We consider that market roads are very necessary to our respective communities, and I believe that the project will be a success."

Guest at Bovard Home.

Miss Maribel Harrison of Clarinda, Ia., is a guest in Maryville at the home of Mrs. Oliver K. Bovard.

There is Strength in Every Tablet

One dose often helps commence to enrich your blood and revitalize your worn-out exhausted nerves—Nuxated Iron is organic iron, like the iron in your blood and like the iron in spinach. It is so prepared that it will not injure the teeth nor disturb the stomach. It is ready for almost immediate absorption and assimilation by the blood while some physicians claim metallic iron which people usually take is not absorbed at all. If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of Nuxated Iron—three times per day, after meals for two weeks. Then test your strength again and see how much you have gained. Your money will be refunded by the manufacturers if you do not obtain perfectly satisfactory results. At all Druggists.

THE U. S. ROYAL CORD

A famous tire—and a famous tread. Acknowledged among motorists and dealers alike as the world's foremost example of Cord tire building. Always delivering the same repeated economy, tire after tire, and season after season.

The stripe around the sidewall is registered as a trade-mark in the U. S. Patent Office.

How you can measure tire value in 1921 —

"Any U. S. Tire is a universal full-money's worth"

OFTEN it's surprising the number of different tire views that come out in a chance talk at the curb or in the leisure of a friend's garage.

Almost every day you come across the man human enough to believe he can outguess the cut-price tag on "job-lots," "discontinued lines" and "surplus stocks."

His opposite is the hard-pan car owner who sticks year in and year out to a *standard* brand as the only *rational economy*.

* * *

Many will remember the scarcity of U. S. Tires last year.

A hardship at the time, but a benefit now. There are no U. S. Tires to be worked off—no accumulations—no *forced* selling of any U. S. brand—no shipping of tires from one part of the country to another to "find a market."

* * *

There are 92 U. S. Factory Branches. Each one gets its share of U. S. Tires. There is a broad, constant, even distribution of U. S. Tires always going on from these Branches to the dealer.

Buy a U. S. Tire anywhere—in a community of 500 people or even less—and you get a *fresh, live* tire of *current* production—with all the original service and mileage the factory put into it.

The owner of a medium or light-weight car stands on equal ground with every other car owner.

Any United States Tire is a universal full money's worth—backed up with a leadership policy of *equal* quality, buying convenience and price for *everybody*.

"The different tire views that come out in a chance talk."

WOMEN PLAN OBSERVANCE OF MEMORIAL DAY, MAY 30

Auxiliary of V. F. W. Will March to Church With Veterans On Sunday

The Women's Auxiliary to the Seth Ray David Post, Veterans of Foreign Wars, held its first regular business meeting since the election and installation of officers, last night in the Post rooms. Plans for the Memorial Day service were discussed and it was planned to march with the Seth Ray David Post to the church from the Post rooms. Some observance to take place on Monday will also be decided upon later.

Mrs. S. T. Gile, president of the auxiliary, presided at the meeting. The Auxiliary will have a flower sale on Saturday before Decoration Day. About fifty women attended the meeting and following the business session, the members of the Seth Ray David Post served the women with light refreshments.

More Flowers for Pickens.

Letters of congratulation on his election as vice-president of the Missouri Commercial Secretaries Association continue to come to Secretary George Pickens of the Maryville Chamber of Commerce. The latest one received is from the St. Louis Chamber of Commerce, which sent delegates to the association's first convention held at Columbia recently. Part of the letter read as follows:

"Much of the success of the convention is due to your untiring efforts, and I am sure every secretary in the state of Missouri appreciates just what you have done."

Death in Political Feud.

Chicago, May 11.—Anthony Dandrea, labor leader and politician of the 19th ward, was shot and probably fatally wounded today. He was shot six times as he stepped from an automobile in front of his home. Dandrea is the guiding figure of a political feud which has involved several shootings and bombings. Dandrea's assailants concealed themselves in a vacant apartment on the first floor where the politician lives.

GERMANY ACCEPTS ALLIED DEMANDS

(Continued from page 1)

support. A leading democrat said:

"The cabinet cannot last, as it is not on a broad enough basis to carry out the financial and economic problems involved in German acceptance of the reparations settlement. We democrats have loaned Schiffer and Gesler to the cabinet, reserving the right to withdraw them unless the cabinet is amplified to include the German people's party".

Dr. Wirth is unfavorably regarded by the industrials and banking interest because he is closely associated politically with Mathias Erzberger, who advocated a raid on capital, rather than indirect taxes, to meet Germany's financial needs.

TWO BOYS SENTENCED TO REFORM SCHOOL

Gale Boyd and Carlos Murphy, 16-yeas-old boys, pleaded guilty to petit larceny in a session of juvenile court held this morning and were given two years in the state reformatory. For good cause shown, the boys were paroled. The boys were charged with stealing gasoline, oil, monkey wrench and other articles from the truck of Alvin Hughes of Parnell.

CONSOLIDATION OF SEVEN ELMO DISTRICTS PROPOSED

County Superintendent Bert Cooper is in Elmo today in connection with the proposed consolidation of seven school districts adjoining Elmo. Plats showing the proposed consolidation are being posted today.

The notices being posted today set the date of the election on May 27. The districts involved are North Grove, Union Grove, Possum Walk, Elmo, Salem, High Prairie, and part of Mt. Tabor and Cottonwood. The corresponding numbers are 13, 15, 37, 38, 39, 40, part of 11, and part of 36.

Mr. Cooper will also attend the eighth grade graduating exercises of Lincoln township, which will be held at Elmo tonight.

CHARGES CONSPIRACY TO DESTROY U. S. SHIPPING

Washington, May 11,—The present marine strike is the result of "an international conspiracy to drive American merchant marine off the high seas," according to the charges made today by Andrew Furuseth, head of the Seamen's Union, in a brief presented to Secretary Davis, Secretary Hoover and Admiral Benson, chairman of the shipping board.

The brief goes into shipping at great length and characterizes the present controversy and lock out as a result of international influences seeking damage to American merchant marines. Furuseth declared he would seek a hearing before Congress and prove the charges.

COMMISSIONERS APPOINTED FOR ARKOE DRAINAGE DISTRICT

In circuit court this morning commissioners to assess benefits and damages in the Arkoe Drainage district were appointed. They are Hugh H. McClurg, William B. Gex and William Hinton. They are to report to the court their findings. This district is incorporated and runs from the Carr bridge about five miles south.

A few motions were taken up by the court in a session of court held this morning. They were taken under advisement.

Captures Young Timber Wolf.

Farmers of the Lasher neighborhood were out en masse last night in a big wolf hunt, following depredations on the sheep, chickens and other farm animals of the vicinity in the past few weeks. They failed to catch any full grown wolves, but they found a nest with two cubs on the Stelter farm.

One of the cubs was brought to town today by Harve Cockayne. The other was killed by Brint Embree. The cub carried by Mr. Cackayne is a grey timber wolf about two weeks old and just fits in his coat pocket. It drinks milk and could easily be raised into a pet, according to its captor, but there is risk that it might escape, and it will probably be killed.

Expects to Go to Canada.

Prosecuting Attorney Charles McCaffrey left today on a business trip to Minot, N. D., and probably to points in Canada. He expects to be gone ten days.

Sikhs Meeting.

An open meeting of the Ancient Order of Sikhs was held last night at the First Christian church. The meeting was a business session and plans for increasing the membership of the class were discussed, and other points in connection with the contest between the Men's Bible classes of the First Christian churches of Maryville and Clarinda.

NO PLAN TO BLOCK THE REFERENDUM?

NONE OF THE PLANS ARE CONSIDERED FEASIBLE.

TIME LIMIT TOO SHORT

W. R. Hollister Declares More Than 100,000 Signatures Have Been Obtained.

Jefferson City, May 11.—Republican efforts to block the referendum on the administration consolidation bills may prove unavailing, it was disclosed here.

Several Republican leaders here have advanced a number of plans for circumventing the efforts of the Democrats to refer the agriculture, labor, public welfare (inspection), budget, judicial and Kansas City court bills. Petitions to refer all of the bills mentioned now are being circulated generally over the state in most instances by Democratic party workers.

One announced plan of the Republicans was to repeal all of the bills under attack which were enacted at the last session of the legislature and then to re-enact them, either as they are or in similar form but in many separate bills and so cause the Democrats to refer the agriculture, la circulating "a basketful of petitions." The quotations are taken from a circular sent out from Republican state headquarters here.

Another plan suggested by Republicans was to repeal all of the bills without repealing the ones under attack. This plan has two endings. One is to let the Democrats circulate the referendum petitions on the new ones and the other was for the legislature at the special session to be called by Governor Hyde to submit the bills to a special election in August and so prevent their suspension for nearly two years.

None of the plans outlined are feasible, however, it is declared by students of the situation here, among whom are some Republicans. The legislature could not repeal the laws because they will not go into effect until June 19 and it is expected they will be suspended by the referendum petitions before that time. It is said by constitutional lawyers that the legislature could not, under any circumstances, repeal a law that had not yet gone into effect.

The plan to re-enact the laws without repealing them would be, it is declared, an open effort to circumvent the referendum and such an effort would be fought out through every court in America, the men back of the referendum movement declare.

Lastly, any effort to submit the bills to a vote next August is out of the question because the special session will not meet until June 1, and working at top speed, the laws could not be re-enacted for several weeks. Then, as the Republicans cannot muster a two-thirds majority in the Senate, they could not attach an emergency clause to them so they could not go into effect for 90 days after adjournment of the special session, which would throw the date late in the fall.

W. R. Hollister, who is directing the referendum movement, declares that sufficient signatures already have been obtained and that there will be more than 100,000 signatures to the judicial bill referendum when it is filed. It is estimated that about 65,000 signatures are all that is necessary to refer the bills.

The Republican leaders have virtually admitted that the referendum will be invoked, but they declare that every effort will be made to prevent it so long as there is a chance of the bills going into effect. This is in contradiction to the utterance of Governor Hyde, who in his special message to the legislature last winter, said: "We welcome the test of the referendum on this legislation."

Experienced legislators who are closly watching developments now are of the opinion that the special session, which it is expected will be called about June 1 to June 6, will last possibly until early fall, for the number of things that must be done if the Governor includes all of the items he has said he will, is constantly increasing, even without the addition of the consolidation measures problem. The session, which originally was planned to consider road legislation only, now probably will have almost as varied a list of subjects to legislate on as a regular session, among them being election, taxation, good roads.

Governor Hyde said last week that he will not call the extra session until after he has personally visited all of the state institutions on a tour of inspection. He made the first of a series o ftrips last week when he visited Marshall, Boonville and Tipton.

Guests at Pierce Home.

W. F. Chaves of Dodge City, Kan. and mother, Mrs. W. C. Chaves of Atchison, Kan., were guests in Maryville today at the home of Mr. and Mrs. W. C. Pierce.

Womanly Beauty and Loveliness

That dainty, elusive thing which is the desire of every feminine heart, may be retained in all its youthful freshness, through the use of carefully prepared skin foods.

For Milady's needs we have procured a very high-grade selection of Creams, Lotions, Powders—many dainty things to add to your beauty and charm.

MOTHERS AND DAUGHTERS WEEK CLOSES AT GRAHAM

Had Banquet in Methodist Church—Ministers Preach Mother's Day Sermons.

Mother's and Daughter's Week was observed at Graham, according to the program sent out by the county chairman. The banquet was given Thursday night in the basement of the Methodist church when one hundred and forty mothers and daughters were in attendance. Mrs. W. E. Freytag, superintendent of the Older Boys and Girls Council of the Fourth District, was toastmistress.

The church was attractively decorated in flowers, a color scheme of pink and white being used. The banquet was planned and served by fathers and sons, and the program was arranged by the girls. Toasts were given by the following mothers and daughters: Mrs. S. D. Harlan, Mrs. Robert Yeaman, Mrs. F. L. Miller, Mrs. W. F. Adkins, Mrs. Clyde Goodpasture, Misses Dora Scheffsky, Sophie Finkbeiner, Etta Suetterlin, Wilma Schmidt, Ruth Linville,. The song, "Mother" was sung by Misses Ruby Riley, Freida Bennett and Ruth Suetterlin, and the old fashioned sing was led by Mrs. George Greeson. The new songs were led by Miss Venice Bratcher.

A Mother's Day sermon was preached in the Methodist church at Graham Sunday by the Reverend Francisco and in the evening at the Presbyterian church, a Mother's service was held when the sermon was preached by the Reverend Parker.

MRS. SCOTT CAMPBELL DIES AT LOCAL HOSPITAL

Grandmother At Whitesville Dies Yesterday also—Funeral Tomorrow At Whitesville.

Mrs. Scott Campbell living four miles north of Barnard, died at 5 o'clock last night at the St. Francis hospital following an illness of two weeks. Mrs. Campbell's grandmother, Mrs. Allison of Whitesville died yesterday morning at her home. Mrs. Campbell had been ill for two weeks and was brought to the St. Francis hospital Monday. She was 27 years of age and was the only daughter of Mr. and Mrs. J. J. Daniel of Whitesville.

Mrs. Campbell is survived by her husband and parents. Funeral services will be held at 2 o'clock tomorrow afternoon at Whitesville and burial will be in the Whitesville cemetery.

PASSAGE OF EMERGENCY TARIFF BILL IS EXPECTED.

Washington, May 11.—The emergency tariff bill, re-written since its passage by the house, is scheduled to be jammed through the Senate this afternoon by a substantioal majority. All but two Republican senators, Moses and Keyes of New Hampshire are expected to vote for the much amended bill.

The Seventh Day Church of God will hold prayer meeting at 8 o'clock Friday night at 322 East Cooper street. Services will be held at 11 o'clock and at 8 o'clock at the same place on Saturday conducted by Elder J. W. Riggs.

Elder R. E. Hostetter.
